95 Day Notice Account - Issue 5

Account name

95 Day Notice Account - Issue 5

What is the interest rate?

Annual Interest		Monthly Interest	
Gross	AER	Gross	AER
4.20%	4.20%	4.12%	4.20%

Interest is calculated daily.

You can choose to have your interest paid monthly or annually.

If you choose to have your interest paid monthly, interest will be paid on the same date each month that you first paid money into your Account.

If you choose to have your interest paid annually, interest will be paid on the anniversary of the date you first paid money into your Account.

You can choose to have your interest paid into your 95 Day Notice Account - Issue 5, another Recognise Savings Account that you hold (subject to any specific conditions of that Account) or your Nominated Bank Account.

AER stands for Annual Equivalent Rate. This illustrates what the interest rate would be if interest was paid and compounded once a year.

Gross is the interest rate payable before tax is deducted.

Can Recognise change the interest rate?

Yes, the interest rate is variable.

We can vary the interest rate for any of the reasons that we set out in Part B of the Terms and Conditions, for example if the Bank of England Official Base Rate changes, if there is a change in market conditions, if the money market interest rates change, or to reflect an increase in costs of running the Account or where there is a change in regulation or legislation.

What would the estimated balance be after 12 months based on a £1,000 deposit?

Initial Deposit	Annual Interest		Monthly Interest	
	Interest Earned	Balance at the end of the term	Interest Earned	Balance at the end of the term
£1,000.00	£42.00	£1,042.00	£41.99	£1,041.99

The projection assumes that:

- your Initial Deposit is paid into the Account when it is opened
- it is not a leap year
- no further deposits or withdrawals are made during the 12 month period
- the interest rate does not vary during the 12 month period

The projection is for illustrative purposes only and does not take into account your individual circumstances.
